

supporting pregnancy through cancer and beyond

23rd May 2023

Dear Create Solutions,

Thank you

for your generous donation of £200 to Mummy's Star. We hugely appreciate your kind words and generosity. Your efforts will truly make a meaningful impact on the lives of the mums and families we support. With £200 we can...

* deliver two virtual drop in sessions for mums to connect with their Information Support Worker and other mums in similar situations, for encouragement, advice and support, or

* help two families create a memory box filled with objects, photos, books and more to remember and celebrate their precious bond, or

* deliver a bespoke Cancer & Pregnancy Training and Education session to a group of midwives, improving care and understanding for mums affected by cancer in or around pregnancy.

On behalf of all our mums, families and everyone at Star HQ, thank you again for your amazing support!

Best wishes
